Presidents Report: by Sean

G'day fellow Corvette Club members,

I hope this message finds you well and that you've all been enjoying some great drives and good company over the past month. As we head into November, I'd like to take a moment to reflect on our recent activities and share some exciting updates with you all. Unfortunately, our October club run was cancelled but hopefully it can be re-scheduled to a later date. Myself and the First Lady were at The Bend for the Hillclimb meeting so were going to miss it, but with a bit of luck we will be able to do the re run. Also, the first Zippel Cruise of the new summer cruising season has been held so things are definitely warming up.

Coming up, we have the Tony Kuchel Memorial Show at Tanunda, Goof's Kegel bowling night at Tanunda on November 8, and the Auto Expo Show organised by Club member Geoff Tartosie, incorporating the Zippel Cruise on Saturday November 15. The Corvette Club will have a C1 to C8 display at this event. Don't forget the Club Christmas dinner is on Saturday December 6 being organised by Maelyn. Check out Events on the club website for further details.

The next important date is the General Meeting on Thursday November 6. The Committee will be ready early at 6pm for log books and Conditional Registration documentation, read the email from the Secretary with important steps to take before the night.

The Club will also be looking for a new Secretary, as we know Lynda is busy with other things and needs to hand the baton on. If you want to be a part of the Corvette Club Committee, have a chat with Lynda (or any other Committee member). Being a part of the Committee allows you to have a say in the important decisions made for the running of the club and also gives you credit towards Life Membership. Lynda will step down at the next AGM in March.

President Sean.

Stansbury and Beyond - 2025

This years October long weekend club trip was once again organised by Peter & Lynda.

Meeting at the Boliver OTR to fuel up, coffee up and rev up for a great weekend. Everyone was on time so off we went with the next stop planned for lunch at the Ardrossan Hotel. There "may" have been a couple of minor mechanical hiccups on the way but nothing we couldn't overcome due to having a trusty Toyota Landcruiser amongst us.

Anyway, we all eventually arrived at Ardrossan for a great SA country pub lunch and a drink or two before heading further down the coast.

Peter and Lynda chose the quaint town of Stansbury on the Yorke Peninsula as our base and booked out the entire Stansbury Holiday Motel (Thankfully) which allowed us to - let's just say "Be ourselves". Management of the motel were the nicest and easiest going people you could meet. This made for a really chilled and relaxing place for us to stay.

That night, Lynda and her team of happy helpers performed some magic behind the scenes and before you knew it, we were being fed dinner in the gazebo overlooking the ocean. Plenty of food and plenty of laughs. A great night.

Saturday morning, the energetic ones amongst us walked into town to check out the local Stansbury street market. Bought nothing and eventually wandered back ready for a drive.

Peter & Lynda planned for us a tour of some of the sites this part of the Peninsula has to offer. From historic plane crash sites to pink lakes. All was going well until Peter walked across the road on a blind corner and almost got taken out by the local cop who was chasing someone at high speed. (Surprisingly - not one of us).

That evening, we had 3 tables booked at the Dalrymple Hotel, Stansbury. The pub did a amazing job in getting the food out to us considering they were packed with long weekend holiday crowds. It was also great to have local club member Alan & partner Peta with friends join us adding to the good times.

Sunday came around. We fuelled up in Minlaton and headed to Marion Bay via Corny Point. Lunch was organised at the Marion Bay Tavern and once again, we all got fatter.

Some chose to visit Innes National Park and some chose to keep their cars clean. Eventually, we all made it back to our Motel.

Dinner that night was takeaway pizza from the Hotel in town. We crowded into the McBride's Penthouse to eat, drink and again, get fatter. Lyn organised a name draw with Tim and Chris winning a couple of great prizes without any effort. We were too cold to go outside and have a competition game to find our winners. Later that night, I was once again forced to tell some far-fetched story about a dead camel just for everyone's cheap entertainment.

Monday morning came, and we had to join the queue of Yorke Peninsula holiday traffic back to Adelaide. All I can say is "Curse those caravan drivers".

Good ol' Pt Wakefield was chaos as usual but we detoured to the Rising Sun Hotel in the back streets for one last meal together.

The weekend had come to an end. The weather was kind. The company was great and there were laughs a plenty. I know everyone thoroughly enjoyed every minute of it.

We all enjoyed every minute of it due to one big reason. That's because of the amazing job that Peter & Lynda had put into it.

A HUGE THANKYOU FROM ALL OF US, PETER & LYNDA.

Also, a **BIG THANKYOU** to all the helpers over the weekend. It's also what makes these weekends work so well.

Membership Renewal Information

Dear Member,

I hope that this letter finds you and your family fit and well. It is that time of year when our fees are due for renewal and it would be greatly appreciated if you could find the time to pay your fees online. This will make things a lot easier at our meetings in November and December.

Important information for those on the Conditional Registration Scheme.

Membership of a Club must be paid and Log books must be signed before 31st December 2025 for vehicles to be able to continue to be legally driven on the road. If your log book isn't signed by this date then you will be driving an unregistered vehicle. This will also mean that if you are involved in an accident that your car will be uninsured for third party bodily injury insurance. None of us want to see that costly event happen to anyone.

Issuing of new log books are required every 3 years.

If your log book is not signed, please notify the club registrar with the reason why (e.g. car off road for repairs or other reasons) before the 31st December 2025.

If your membership has not been renewed and the log book signed before the 31st December 2025, the Club is required to notify the DPTI of your Non-Financial Status. We will be notifying DPTI as of the 31st of January 2026 as to any members that have not renewed. DPTI may then **cancel Conditional Registration** for your vehicle within 7 days and **your car will not be covered. Fines and or more can apply along with your loss of conditional registration.**

It is a requirement under the new code that the club notifies the department as a condition of maintaining our recognition status for the purposes of the scheme.

Your support in the form of membership and participation in the club is vital in ensuring our ongoing success as a club. Our club exists for its members and there are a number of benefits or activities available that members can enjoy. They include the following;

- A full colour newsletter each month by email.
- Monthly General meeting.
- Club car runs on the first Sunday after each monthly general meeting (organised by any member that wishes to arrange a run. Feel free to ask for advice).
- Club dinners every third Friday of the month (arranged by club members and held at various locations around Adelaide).
- Access to Technical knowledge and expertise (some members have over 35 years' experience).
- Access to exclusive Club Merchandise.
- Lucky members draw for those present at the Monthly meeting.
- Organised regular events such as Club car runs both locally and interstate.
- Hosting of the **Corvette Nationals** when it occurs in Adelaide (generally every six years).
- A dedicated committee of volunteers.

Full Membership fees are only \$80 per year for Metro members and \$40 for Country members. Associate membership fees are only \$20. Log Books are \$10 so please check that yours is in date before paying your fees and include that in your payment. Payment can be made to BSB: 105-900 ACCOUNT: 9543 73840 and please ensure that your surname and membership number are included. Membership update forms can be found on the club website (www.corvetteclubofsouthaustralia.com.au) and emailed to myself at the email address below.

We would love to see you at our club general meetings and events. The General meetings are held on the **first Thursday of each month from 7.00 p.m. at the Riverdome, 2 Dennis Mutton Drive, Thebarton.**

If you have any questions at all, please do not hesitate to contact Tim, myself or someone from the committee.

Yours Sincerely,

2026 Corvette Nationals - Noosa Heads

Event dates Friday 20th to Monday 23rd March 2026

***** One room left at Noosa Heads Motel *****

For those of you who are giving consideration to attend this special annual event the following is being considered and with **your advanced input, to me by 30th November 2025 for the overnight travel arrangements** will ensure appropriate advanced bookings can be made.

For the full National program put together by the Queensland Corvette Club refer to their document included in this newsletter and on our club web site.

Three overnight stops are proposed driving to the event with the option to either leave –

- On the Monday 16th to arrive Thursday 19th. This gives a brief break before the busy weekend.

From previous experience this is the preferred time manageable way.

- Or on the Tuesday 17th to arrive Friday 20th and on that day also pick up your entry bag and Corvette preparation.

To travel as a group, particularly on a long trip as this, does not only give support to each other but is a great social event to share stories along the way.

The overnight stops will be - Hay 655kms, 7hrs. Coonabarabran 676kms, 7hrs. Warick to Noosa 298kms, 4hrs.

These distances take into consideration comfortable travelling times as well as for the older Corvettes which do not have the same creature comfort as those younger.

Once I have your expressions of interest's I will make the appropriate motel bookings for the type of accommodation required and you pay the establishment on check out.

As a guide an overnight stop is approximately \$180 but this will vary dependent on the establishment and how many rooms are booked.

In reviewing the accommodation prices at the Nationals I have booked seven rooms at the Noosa Heads Motel which is 1.5kms away from where the Nationals are being held.

Currently I have one room available at \$242 per night over the period of the Nationals so get in quickly if interested as any future room bookings at this establishment will be much more expensive.

For your return trip home, it will be up to you to make your own arrangements.

Contact me either by phone 0428394710 or dellter@adam.com.au. John Randell

IMPORTANT: Membership Information Update

Our membership officer Gary McPhee is after your help.

There are many of you, who since joining the club, have either sold your car, brought a replacement car or a second car.

Some of you have provided updates on the car or cars that you now have in your possession.

We would like to update the club records of members cars.

If you have not provided an update on your car or any part of your personal details that may have changed (ie. address, contact details or email address), it would be greatly appreciated if you could please fill out the membership form that is available on the club website with any new details and returning that form to Gary via email.

His email address is - eagles112021@outlook.com

CLUB EVENTS: IF YOU HAVE AN AMAZING IDEA

As Events Coordinator, I know everyone is busy from month to month with friends and family commitments etc, but we are always looking for ideas from club members involving runs, dinners, weekends away or any other events as a social outing.

The clubs aims at holding two events per month (usually 1 run & 1 dinner).

So please contact me to assist planning your amazing ideas.

The structured events will then be published in our monthly newsletter and club website for all to be made aware of dates and details .

Regards Goof PH: 0417 869 368

SOMETHING TO KEEP IN MIND

We kindly ask that if you plan on attending a club run or dinner, it is important that the organiser is informed beforehand on who is coming.

When members turn up on the day without doing this, it often causes an issue with seating and potentially catering.

Be sure to always notify us of your planned attendance.

***** CLUBS NEW WEBSITE *****

Be sure to check out the clubs new website. A lot of work has gone into this behind the scenes and it's an asset the club can be proud of.

FROM THE EDITOR:

Hey, let me know if you would like your Vette to feature as **Car of the Month** in the Newsletter & Club Website. Put together a write up on your car and the cool story behind it and email me this with some great photos.

ALSO

Ruthie and I are going travelling next year for 12 to 18 months. I'm happy to continue on as Editor while on the road... but... If you have the desire to help out and take on the role of Newsletter Editor for this period, I will not argue. Its easy. It's fun and it'll free up more fishing time for me. Let me know if you're interested.

Cheers Stuart

TIM NEEDS A FAVOUR

If you're an owner of a Conditional Registered Vehicle with our club, our Conditional Registration Coordinator Officer - Tim would appreciate, if or when you sell your car, to please call him or one of the other C.R.V. officers and tell them that you no longer own the car. If you don't, Tim will get angry!! ☹

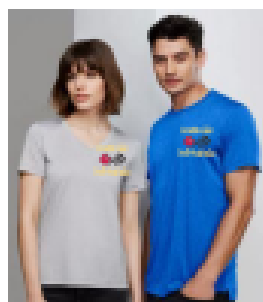

ALSO, IF ANY NEW MEMBERS TO THE CLUB WOULD LIKE CCSA NAME TAGS, CONTACT TIM PH: 0421 103 230 AND HE WILL ARRANGE THEM
